

The Education Foundation of S. Brunswick Twp., Inc.

Tour de South Brunswick & Foundation Fun Walk Participation Challenge

The TdSB Participation Challenge is based on enrollment and participation in our South Brunswick School District schools.

Participation Grants:

Any school that achieves 5% of their enrollment in participants will receive a \$50 grant. For each 5%, above the initial 5%, the school will receive an additional \$50 grant. For example, if ABC school has an enrollment of 350 students and 17 participants have selected ABC as their Challenge school, they will receive a \$50 grant for the 5%. If they get 10% participation ABC's grant would be \$100, with 15% participation ABC would receive a \$150 grant, and so on. The maximum participation grant a school can receive is \$1000 for 100% or more of enrollment.

In addition to the Participation Grant described above, there are two bonuses:

1. The school with the Highest Percentage of enrollment participating will receive a \$300 bonus grant.
2. The school with the Highest Number of Riders/Walkers who participate will receive a \$300 bonus grant.

Notes:

- **Paid registrants must be present and checked in at the ride and/or walk to be counted as a participant.**
- Individuals that participate in both the ride and walk are counted separately.
- Rider and Walker totals are combined for each school.
- In the event of a cancellation due to weather or other unforeseen circumstance, the percentages will be based on paid registrations.
- Percentages are calculated using the S.B. School District's official enrollment numbers as of October of the current school year.
- All grants must be used for gym equipment and/or athletic department supplies.
- A school must have at least 5% of enrollment participating to receive the initial grant.
