About the Tour de South Brunswick

The Education Foundation of South Brunswick Township, Inc., the 501c3 organization that hosts the Tour de South Brunswick, invites you to help us help others. Over the last 14 years, the Tour de South Brunswick has become one of the largest events in South Brunswick Township. With the support of sponsors, volunteers, participants and donors, we help support the students, staff and schools in the South Brunswick School District.

On behalf of our riders and our school district’s students and staff, we thank you for considering sponsorship. We look forward to the opportunity to work with your for our 2026 rides.

Here’s a brief overview of the event though the years and our accomplishments.

In June of 2011 the Education Foundation of South Brunswick Township celebrated the inaugural Tour de South Brunswick in South Brunswick, N.J., with 35 riders (7 riders for the “Tour” 25 mile ride, 7 for the “Family” 10 mile ride and 21 for our then “Fun” 2.5 mile ride). The riders’ skill levels ranged from seasoned veterans to those making their first attempt at 25 miles or even a 2.5 mile ride.

In 2014, the Ed. Foundation initiated Participation Grants for the highest participation percentage and number of participants from each school. The response to this program was tremendous, increasing the total number of riders to 808. In 2016, the Foundation modified the program and began the “Participation Challenge” to give more schools a chance to increase their grants. Again the modified program was a great success. Since 2014 the Tour de South Brunswick has averaged nearly 520 riders per year.

Mission of the Tour de South Brunswick

The mission of the Tour de South Brunswick (TdsB) fundraiser is to:

1. Raise community awareness and funding for the Education Foundation and its programs.
2. Present grants to the physical education programs in South Brunswick schools.
3. Encourage wellness through cycling.

In support of our mission, the Education Foundation of South Brunswick Township, Inc. will host it annual cycling event the Tour de South Brunswick on Sunday, June 14, 2026, in South Brunswick, New Jersey. Our registration fees are always kept low to allow everyone with an opportunity to participate.

For more information, visit edfoundationsb.org/tdsb.

The Tour de South Brunswick is a 100 percent volunteer-run event consisting of:

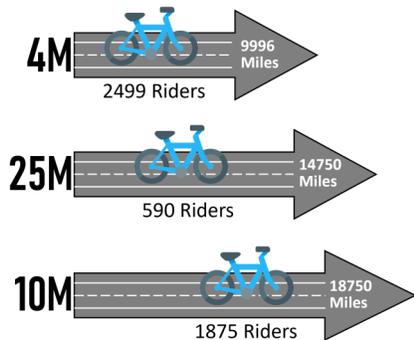

- A pre-ride cyclist gathering with food and drinks.
- Bicycle ride with multiple routes.

The ride consists of three fully supported routes allowing cyclists of all skill levels to participate in a ride of one of three lengths — choosing either the “Family Fun” 4 Mile, the “Casual” 10 Mile or our signature “Tour” 25 Mile ride.

Our goal is to raise \$8000 for physical education program grants and encourage more individuals and families to explore and enjoy cycling.

TdsB Fun Facts

From 2011 thru 2025, 4965 riders have participated in the Tour de South Brunswick Bike Rides and ridden a total of **43,500 miles**. *That's enough miles to go around the Earth more than 1.75 times!*

About The Education Foundation

The Education Foundation of South Brunswick Township, Inc. (a non-profit corporation) was founded in August 2009. It is the Ed. Foundation’s mission to promote and provide education support and opportunities in the South Brunswick School District through innovative programs and projects. The Ed. Who Rides the Tour de South Brunswick?

Our event offers sponsors the opportunity to communicate and interact with a diverse group of people of all ages and from many communities.

Riders range in age from 4– to over 70-years-old. The vast majority of our riders (typically around 90 percent) live in South Brunswick. The remaining riders come from all over Middlesex and Mercer counties. And each year, the number of riders from northern and southern New Jersey along with out of state participants has increased.
